DESCRIPTION DU POSTE

CMD Medical & Health bridges the gap between medical professionals, institutions, and the patients who need them most.

About the Role

CallMyDoctor is a startup digital healthcare platform expanding its telemedicine and pharmacy-partner network. We are seeking a qualified **Superintendent Pharmacist** to provide pharmacy regulatory oversight and support the development of our electronic pharmaceutical services.

Key Responsibilities

- Provide professional pharmacy and regulatory oversight.
- Coordinate applicable **PCN licensing and compliance** requirements.
- Support the development and management of our electronic pharmacy operations.
- Identify, verify and onboard licensed partner pharmacies.
- Oversee prescription and medication-related workflows.
- Develop pharmacy SOPs and compliance procedures.
- Support regulatory inspections, audits and pharmacy-related documentation.
- Work with the product and operations teams on pharmacy-related features and processes.

Requirements

- B.Pharm or Pharm.D.
- Fully registered with the **Pharmacy Council of Nigeria (PCN)**.

- Current and valid PCN practicing license.
- Minimum 3 years' relevant experience preferred.
- Experience in retail/community pharmacy, regulatory affairs, e-pharmacy or digital health is an advantage.
- Strong communication, documentation and organizational skills.
- Comfortable working with technology and in a startup environment.

What We Offer

- **#120,000 net monthly professional retainer**
- Flexible/part-time working arrangement
- Primarily remote operations
- Opportunity to help build a growing Nigerian digital-health platform.

Method of Application

Interested and qualified candidates should apply using the Apply Now button on the original posting.
